

THE LIFE OF JOHN WESLEY

THE MAN FROM

ALDERSGATE

Through the powerful medium of drama *THE MAN FROM ALDERSGATE* with BJ Johnston, brings John Wesley and his dynamic ministry to life.

Having appeared in over 32 States, 6 countries and before 22 denominations, Johnston uses Wesley's own words, to tell how John's faith in Jesus Christ sparked a revival that changed the history of England, America and much of the world.

Through God's Word, Wesley exhorts his audience to live a more disciplined life of faith. You will gain new insights into the importance of prayer and how personal failure can teach you to trust Christ.

Wesley Shares on These Topics:

- *How his mother's faith shaped his personal destiny.*
- *How to share your faith with others in a personal manner, even at gunpoint.*
- *Nothing is more important than prayer.*
- *Religion is the most dangerous idol of all.*
- *Being a man of 'one Book' means never departing from God's Word!*

THE MAN FROM ALDERSGATE with BJ Johnston encourages spiritual renewal and presents an excellent opportunity to reach your community for Christ.

Do all the good you can,
By all the means you can,
In all the ways you can,
In all the places you can,
At all the times you can,
To all the people you can,
As long as ever you can!
